CAPACITI

I am a recent graduate with a Diploma in Information Technology Management. Throughout my academic journey, I gained a solid foundation in various IT disciplines, including Self-taught software development, data analysis, and systems management. I am enthusiastic about leveraging technology to solve complex problems and enhance business efficiency. My ability to collaborate within diverse teams, coupled with a strong work ethic and eagerness to learn, positions me to contribute effectively to any organization. I am excited to apply my knowledge and skills to real-world challenges while continuing to grow in my professional career.

Education
